

GO Action Day Penzance 5th March 2016

Come rain, come shine, come hail, our intrepid team stuck it out in Penzance on 5th March for the Grassroots Out (GO) Action Day.

The elements threw everything at them, but undeterred, 1320 leaflets were given out.

They had unexpected help on & off and the whole campaign has taken a new impetus.

The public are getting interested.

A number of positive enquiries were made and one new member for UKIP.

Thanks for all your efforts everyone, and special thanks to Diane Belke for her last minute assistance when our GO pack hadn't turned up during the week leading up to it.

Thanks also to Rose Smith for her sheer persistence in locating T Shirts & leaflets in time and William for supplying the tables.

Stuart Guppy
