Is UKIP's Work Over, Now Brexit Is Achieved ?

Don't you believe it!

There is much to do to hold the government and Brussels to account!

Former French Foreign Minister Michel Barnier has been appointed by the European Commission to negotiate with Britain over Brexit.

European Commission President Jean-Claude Juncker said he " wanted an experienced politician for this difficult job".

A former EU commissioner, Mr Barnier led the EU's banking reforms and is unpopular in London's finance district.

Well, Mr. Juncker, it doesn't have to be difficult – unless you want it to be!
