

## **Report Back on Annual Garden Party Event**

On Sunday, 8th July, about 40 members and friends gathered at Bob and Tracy's home in Newmill on one of the hottest summer days of the year for our annual Garden Party.

The lovely gardens were at their best and we are very grateful to Bob and Tracy for opening up their home, and to their neighbours for letting us park in the next – door field. We all know what happens if you ask people to bring a contribution for the table and an abundance of food appeared which was enjoyed by everyone.

£52 was raised for Branch funds from the raffle. But it is not all about enjoying ourselves as there is a great deal of public representation to do with the chaotic state of the so – called 'Brexit negotiations'.

We were delighted to welcome our friends from the Camborne Liberal Party and have an alliance with them to work together

The committee meet on Friday evening when we will sort out the late summer and autumn programme of events.

Please keep an eye on the websites, [ukipcornwall](http://ukipcornwall.com), UKIP Daily and Kipper Central (run by Young Independence), for up – to date news and do all you can to spread the word.

Above all, please support your local branch. We must be a match for the gathering Republican menace.
